EDUCATION

The University of Texas at Austin · Austin, TX

May 2023

College of Fine Arts: Bachelor of Fine Arts in Design · School of Design & Creative Technologies

PROFESSIONAL EXPERIENCE

Trackmeet Studio · Graphic Design Intern · Austin, TX

Spring 2023

- Worked alongside creative directors and principal designers on a series of branding projects for multiple clients
- Contributed to branding, event, environmental, logo, package, apparel, and print design projects over a short internship period
- Developed logo design sketches, typography research, branding mood boards and conceptual brand development ideation for a series of projects

Summit K-12 · Graphic Designer · Austin, TX

2020-2023

- Worked with remote team to develop graphics and layouts for K-12 online educational products
- Provide graphics for video production teams

Molly Pierce Design · Owner, Lead Designer · Corpus Christi, TX

2012-2022

- Worked directly with clients in a variety of industries, organization types, and market sectors as a contracted graphic designer on projects ranging in scale from one-day jobs to multi-year relationships
- Developed conceptual design frameworks, branding schemes and narratives, graphics and layouts for product illustrations, company logos, print pieces, booklets and brochures, signage and environmental pieces, websites, social media promotions, advertising, stationery and event design, photo editing, email campaigns, etc.
- Developed proposals, presentations, and pitches; prepared iterative design prototypes, evolving the project through stages with input from client representatives
- Led one-on-one and group client meetings, presentations, critiques, and idea generation sessions
- Performed a wide range of research to inform design projects, including but not limited to market research, industry research, conceptual research, visual research, and data analytics
- Managed administrative, communication, archival, project management, and financial tasks
- Collaborated with printers, distributors, other designers, event planners, client staff members, non-profit boards, and volunteers to complete design projects from start to finish

Renfrow Business Printing · Prepress Technician · Corpus Christi, TX

2013-2015

- Executed standard business printing typesetting and occasional creative graphic design projects
- Set up documents for digital and traditional 4-color presses; proofread and perform quality control of text and images; performed preflight checks; maintained paper stock and color correction; executed client revisions
- Generated digital prepress proofs; operated industrial cutting, folding, and packing machines
- Executed large-run digital printing of forms, business collateral, and marketing materials; operated and maintained digital printer and digital imaging equipment

Gill Garden Center & Landscape Company · Landscape Design Assistant · Corpus Christi, TX

2007-2013

- Worked alongside two accredited landscape designers throughout my tenure as a dedicated landscape design assistant at well-established local garden center
- Accompanied designer to job-sites for client meetings, and site inspections and measuring
- Managed, maintained, and transported plant material and supplies as needed; provided follow-up consultations; managed scheduling and phone calls
- Prepared site plans and graphic representations of drawings and proposed designs; analyzed site plans; drafted commercial bids
- Managed subcontractors and crew members; responded to emergency conditions such as unexpected weather and frequent stock availability variations
- Created complex project estimates, proposals, and invoices; drafted commercial bids
